Leland Fikes Foundation

Letter of Inquiry

Leland Fikes Foundation asks organizations with which it does not have a standing relationship to submit a Letter of Inquiry as the first step in the grant application process. This high-level overview is a chance for us to learn more about your organization, the needs you address, and if applicable, the specific program for which you seek funding.

Please answer all questions as completely and concisely as possible.

IRS Determination*

Is your organization recognized by the IRS as a 501c3 non-profit public charity?

Note: The Foundation will only consider requests from organizations with 501(c)(3) public charity status, who are in good standing with the IRS. If your organization does not have 501(c)(3) status, or has private foundation status, it is ineligible to apply. In an effort to streamline this process for applicants, we have eliminated the 501(c)(3) letter upload requirement, and will perform a Charity Check to verify 501(c)(3) status based on the EIN number provided in your organizational profile.
